

## Technical Information Bulletin

EPA Reg. No. 241-392

### For Use in California

#### Phantom<sup>®</sup> Termiticide-Insecticide for Control of Cockroaches

This recommendation is made as permitted under FIFRA Section 2(ee).

Except for the instructions in this Technical Information Bulletin all applicable directions, restrictions, precautions, and Conditions of Sale and Warranty on the EPA approved container label are to be followed. Refer to the container label for additional instructions. Always read and follow label directions.

This recommendation must be in the possession of the user at the time of application.

This recommendation is for the control of cockroaches in California.

#### Directions For Use

**Phantom** may be used to control cockroaches (American, Asian, brown-banded, German, Oriental, and smokeybrown) by following the instructions found in the **Use Directions For General Pest Control** section of the **Phantom** container label.
